

Dear fellow industrial pharmacists and IPS members from around the world,

My name is Clement Haeck, I am an industrial pharmacist originally from France and currently based in New York. I have been a member of FIP IPS for over 6 years.

As IPS ExCo, I want to increase IPS collaborations with other sections and Special Interest Groups (SIGs) of FIP. Thanks to my past experience as FIP ECPG Chairperson of Liaisons, I believe I am the right fit for this role.

I also want to increase FIP social media presence. Throughout my time as FIP ECPG Twitter Manager, I posted 429 tweets that resulted in over 36,000 impressions per month, 112 monthly retweets, and a 19% increase in followers.

This will help engage all IPS members more with our section to ensure the voice of industrial pharmacists are represented throughout FIP and the industrial pharmacy world.

I want to make sure IPS is invited at every meeting table within FIP, and through partner organizations. Thanks to my past experience organizing webinars for FIP, I want to keep helping IPS organize and promote their webinars.

I will collaborate with all other FIP ExCo and Associate ExCo members to ensure the work of IPS is disseminated and advertised.

I look forward to working with you all.

Thank you for your consideration,

Clement
