Dear Sola,

Considering that I am the current Section Secretary, I am here cc you on my official application to another term as IPS ExCo. Attached is my CV in support. To be the part of IPS ExCo is a great opportunity to continue contributing to the development of industrial pharmacy at global and regional level, and I will be glad if members give me the opportunity to finish my term as IPS Secretary, besides continuing with the Section representation in Latin America, as part of IPS strategies aligned to One FIP vision.

Best regards

Igor L. de Castro

IPS Secretary
